

COVID-19 RE-OPENING INFORMATION

AS OF May 25, These are the appointment guidelines for William Henry Signature Salons and Ballard's BarberShop:

- Service providers nor guests will be permitted on the premises if they have COVID-19 symptoms
- Guests will be served by appointment only
- Please arrive to your reservation alone. We will be at limited capacity.
- If the salon is at capacity, guests will receive a text when they can enter the premises.
- Service providers will receive a temperature check prior to entering premises
- The number of guests on premises will be limited to ensure 6ft social distancing
- Stations will be at least six feet apart
- Service providers and guests will wear protective facemasks
- All equipment used by a service provider will be sanitized between guests
- Guests will be expected to wash their hands or use sanitizer upon entering the salon company
- Doors and exits will be routinely sanitized
- We prefer to not have cash transactions during Phase 2.
- Please allow our team to assist you with your retail purchases. We are happy to put your haircare order together for you.

We can all do our part to prevent the spread of illness in our community. You can help by staying home/rescheduling your appointment if you're feeling sick. Symptoms may appear 2–14 days after exposure and include fever, cough, and shortness of breath. If you are healthy, we look forward to seeing you with your protective face mask!
